

# MARK CAMPBELL

CHARTERED ENGINEER

MEng (Hons) CEng MICE

## PERSONAL PROFILE:

I am a Chartered Engineer and a member of the Institution of Civil Engineers with a broad experience within structural engineering in the buildings sector. My design experience ranges from small residential alterations to new housing developments through to full BIM compliant structural designs of large buildings such as student accommodation, offices, leisure and educational facilities. I also have broad experience in the preparation of structural condition reports and specific structural defect reports on behalf of private, commercial and insurance clients.
